

Please remember...

Volunteering in the Raytown School District is a privilege, not a right. The Board, superintendent, principal or designee may decline or terminate the services of a volunteer for any legal reason. It shall be the responsibility of the building principal or designee to approve all screened volunteers to be placed in his/her building. Teachers may select and organize chaperones, unless otherwise directed by the principal.

All volunteers will receive training appropriate to the function they will serve while volunteering. If a volunteer is disruptive or acts inappropriately around the students, the teacher or principal will refuse the volunteer's services and notify the Volunteer Coordinator immediately.

Volunteers will provide support services but are not substitutes for the professional staff. Volunteers will work under the direction and supervision of district and building staff. Even screened volunteers who are left alone with a student will have an employee contact person or supervisor to monitor activities with students.
